Dear Madam:-

Our game here the 17th. was rained out; we were not able to play, but your Club reported here at noon-time.

I am very sorry, because I think we would have had the largest crowd that we have had since the "All Star Game," but I want you to send me your Club as many times as you can during the Season.

I will be able to ~~give~~ give you all the open dates that we have in the Stadium, when the League is not playing, about next week.

I have dates now for Wednesday, May 23rd, open; and I have a Sunday date for June, 10th. and June 17th. I also have July 8th.

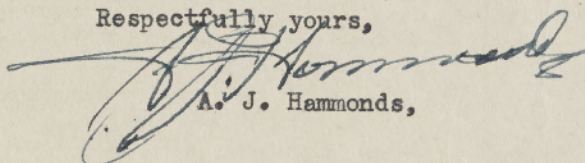

Mr. Posey and I talked, at length about playing down here on Sunday with two League Clubs. If you can work out dates for any of those Sundays, you may let me know later.

I am sending you the expense of your part of the game, that was to be played on the 17th. The total amount of expense was \$ 57.85, and Mr. Posey paid me his part of it before he left, and I will thank you and appreciate it very much for a check or Money Order for The Eagles part, which is \$ 28.90.

Total Expense as follows.
